

Job Title:	Team Leader (MHST)	
Service:	Birmingham MHST (Wave 12)	
Reports To:	Service Manager	
Band:	Band G	

Service Overview

Mental Health Support Teams (MHSTs) are a prevention and early intervention service designed to promote good mental health and wellbeing, and to provide support to meet the mild to moderate mental health needs of children and young people (CYP) in education settings.

MHSTs increase the CYPs mental health workforce and increase capacity to support pupils and students. Teams work alongside education staff to develop and embed a Whole School Approach (WSA) to mental health and wellbeing at all levels.

MHSTs have three core functions:

- Deliver evidence-based interventions for mild to moderate mental health issues
- Support the senior mental health lead to introduce/develop the WSA
- Provide timely advice to education staff, and liaise with specialist services to help CYP get the right support and stay in education

The service develops and delivers innovative methods to make a real difference to the lives of children, young people and families.

Service Structure

The staffing structure is made up of an integrated skill mix team.

These roles include Supervising Practitioners, Assistant/Trainee/Qualified Education Mental Health Practitioners and specialist technical roles with staff coming from a wide range of professional backgrounds.

The Service Manager is supported by Team Leaders and a Senior Administrator who provide oversight and local leadership to the skill mix team.

Purpose of the Role

The Team Leader provides operational leadership to the skill mix team delivering professional leadership, supervision, line management and teaching to enable the efficient, effective and safe delivery of the service offer maintaining discretion and confidentiality at all times

The Team Leader contributes to ensuring the teams fulfil their core offer of services whilst providing direct input and intervention within their role supporting CYP with the most complex needs. The post holder co-ordinates children and young people's care within the team and refers on as necessary.
